

Salem Five foundation awards \$25,000

Continuing its long-standing tradition of community involvement, Salem Five Bank awarded \$25,000 to 25 local non-profit organizations, including the Greater Medford Visiting Nurses Association in Medford.

The awarded funds are the proceeds from the annual Salem Five

Charitable Foundation Golf Tournament, which marked its 22nd year. Employees, clients and business partners join together every summer to raise funds for the selected nonprofits.

The organizations are nominated by Salem Five employees who are personally involved with the charities.

Twenty-five are chosen to receive a \$1,000 donation.
